

FEIF INTERNATIONAL FEDERATION OF ICELANDIC HORSE ASSOCIATIONS

7th FEIF Young Leaders' Event

21-23 November 2025, nr Billund, DK

Topic: Fighting fit – Conflict, Fitness & Teamwork in Action

On behalf of FEIF and DI, we would like to invite you to Denmark to the seventh FEIF Young Leaders' seminar. FEIF Youth Work offers a series of annual seminars, focusing on the 18-26 age group when the lives of young people undergo considerable changes.

Our aim at this event is to encourage you, young adults, to engage in the organizational work of the Icelandic horse world. During the weekend, we will practice leading groups and projects, work on self-development, and learn more about the (Icelandic) horse industry as a whole. By integrating younger riders into our Icelandic Horse Associations, committees and clubs, we harness a wealth of knowledge and competence and create the leaders of the future.

The programme includes:

Speaker 1 Rebekka Hyldgaard, qualified physiotherapist, will show participants how to improve our riding through rider fitness.

Speaker 2 Janne Winther Christensen, professor, Department of Animal Science at Aarhus University, will hold a lecture about conflict behaviour and her latest research project

Additionally, we will engage in **team exercises** and get to know each other. We will also focus on the connections between voluntary work and young people.

You can also look forward to a **horse-related field trip** and a **surprise session** with a **exciting speakers**.

Application and payment deadline: 15th October 2025

Participants are only registered after full payment has been received by FEIF.

We are looking forward to welcoming you to Denmark to live and laugh and learn together in the course of the seminar!
